Our passion for promoting good health and employee engagement is contagious and we love sharing it with our clients.

Assurance is maximizing employee health here, there and everywhere by encouraging preventative care and wellness choices that drive down the cost of healthcare for everyone in the long run. With our creative wellness approach, we help you set goals, execute a plan, achieve results and continually find new ways to improve the health of your organization.

We believe so strongly in the power of wellness, the following services are available at no cost when you work with the Assurance Employee Benefits ‘A’ Team.

**Wellness Core Services**

» 24 Wellness Posters Campaign
» Introduction to Carrier Tools
» Standard Wellness Communication Calendar
» Employee Assistance Program (EAP) Promotion
» Biometric Screening/HRA Coordination & Implementation
» Basic Incentive Consulting
» Aggregate Report Review & Recommendations

**Get in Touch**
